

Accessing Mental Health Services in Edmonton

-Families may call CAMH Intake directly. CAMH Intake will schedule a telephone interview between the child's legal guardian and an intake therapist.

-After the interview, treatment recommendations will be made—possible treatment options: Northgate clinics, CASA, Glenrose Hospital, Physicians, Psychiatrists.

-CAMH Intake will forward the family's information to treatment provider

-Treatment provider will contact the family to set up an appointment

CAMH Service Location: Northgate Centre Room 2020, East end
9499 137 Avenue

For children 5-18 years, CASA services **must** be accessed through **CAMH Intake**
Average wait time for first appointment @ CASA school age services : 6-8 weeks

For full CASA program info see: www.casaservices.org
